## Junior Charity League

Founded in 1930, the Junior Charity League of Concord is a thriving organization with the common goal of assisting local children. They keep essential personal care items on-hand, bagged up and ready to go, for students that may not have readily available access to the items most of us take for granted.

Each gallon-sized bag filled with the following items:

- 15oz Shampoo
- Full Size Toothpaste
- Individually Wrapped Toothbrush
- Bar of soap
- Full Size Deodorant (optional—not included for younger kids)

We would love for our club members to donate one complete bag (or more if you choose) at the August 24, 2022 meeting. Feel free to donate additional stand-alone items as they are always welcome.

Thank you for helping us meet this need in our local community.

### The Four Way Test

Is it the truth?

Is it fair to all concerned?
